

BR-YAG-KIT Mounting Kit

For secure mounting of ELPRO Yagi (directional) antennas

Description

The BR-YAG-KIT Mounting Kit securely holds the antenna in place and provides grounding to the main post or mast.

One kit is required for each antenna installation. Securely brace the antenna to prevent wind damage and other adverse effects on beam width.

SPECIFICATION	DESCRIPTION
Mounting kit contents	
Bracket	Galvanised, mild steel
Bolts, Nuts, washers	Galvanised, mild steel
General	
Support capability	Suitable for poles up to 2" (50 mm) in diameter
Earthing	Reliable, low-resistance grounding to main post/mast

Note: Specifications are subject to change.

Ordering
